### ADDITIONAL NOTES

All bottling charges are made on a per-case basis. 750ml, 500ml and 375ml packages will be charged twelve bottles to the stand-up case; 1.5l bottles will be charged six bottles to the stand-up case.

A 15% premium will be charged for all other 6-pack cases.

A 20% premium will be charged for all lay-down cases.

We reserve the right to apply a \$500 hourly charge for any package that requires us to operate at less than an average 47 bottles per minute.

Slow-Run Charge applies to minimum jobs that expand beyond mid-day.

The first bottle change is free. The Bottle Change-Over Fee applies to every bottle change after the first. In addition, there will be a minimum case charge equal to 50 cases for magnums and 250 cases for 375s and 750s.
